- Enterprise tracking for sustainability goals and measurement
- Reduce contamination

Productivity

- Ensure you have the right equipment
- Pick up when full and not early. Minimize disposal costs
- Remote fullness monitoring & bale weight monitoring
- Maximize recycling revenue

Backed by the best compactors and balers, plus the innovative Connected Collections™ digital strategy, you can focus on the front of the store and leave the back to us.

BACK-OF-STORE CONNECTED ASSET SOLUTIONS

1

Focus on the front of the store, we've got the back.

The ultimate solution for peace of mind, efficiency, and productivity.

2

Marathon® provides a full suite of value-added needs.

New and Marathon Certified Remanufactured compactors and balers, digital connectivity, and waste stream monitoring to minimize your waste-related expenses and maximize recycling revenue.

Digital connectivity enables asset monitoring, assists with predictive maintenance, and connection to hauler operations.

Partnership with Marathon® supports your long-term sustainability objectives - and provides documentary evidence of your performance.

3

All the information you need at the tips of your fingers.

3rd-Eye provides a complete dashboard view of the waste and recycling programs for your entire enterprise.

Powerful Suite of Options Custom-Tailored to Your Specific Requirements

	Equipment Service & Preventative Maintenance We handle all equipment service and P.M. ensuring worry-free care and maximum up-time.	Fullness Monitoring Know exactly when your containers need to be emptied. Not too early, not too late, exactly when needed.	Achieve Sustainability Objectives Elimination of unnecessary pickups & recycling stream contamination help to further sustainability goals.	Connected Asset Assets transmit maintenance and performance data in real time. Get notifications before issues arise to maximize up-time and productivity.	Recycling Stream Contamination Detection Identify recycling contamination to reduce disposal costs and maximize recycling commodity revenue.

Worry-Free, Lowest Life-Cycle Cost

You have great options for equipment acquisition. Choose from a new Marathon® compactor or baler, or get a Marathon Certified Remanufactured product backed by the same best-in-industry warranty of a new Marathon product.

Our multiple extended warranty options, preventive service and maintenance programs, OEM parts, and asset connectivity all combine to optimize the performance of your equipment.

Digital connectivity monitors your assets ensuring predictive and condition-based equipment maintenance. Eliminate the costs associated with unnecessary down time and repairs. Service only when needed and replace only when and what is needed.

GOT CORES? TRADE IN - TRADE UP!

Through our Marathon Certified Remanufactured compactor and baler program, you can now establish a true closed-loop recycling process, which not only includes your commodities, but also your equipment.

The Marathon Certified Remanufacturing program allows you to purchase a factory-certified remanufactured product with the same warranty as a brand new one, providing a solution to optimize recycling commodities AND equipment.

For more information on the Marathon Cores Program, contact your local dealer.
